

## Share the Loaf

### A New Catering Referral Program

No matter what the occasion, The Meatloaf Bakery is the perfect choice for your next event. Lunch meeting with clients? Staff meeting? Birthday or anniversary celebration? Or how about a wedding reception? Our delicious and inspired meatloaf creations will delight everyone and keep them talking for days. Now everyone can benefit with our latest program. Refer a catering customer and both of you can enjoy a gift certificate from The Meatloaf Bakery.

Here's how *Share the Loaf* works.

- Tell your friends, relatives, co-workers, everyone about The Meatloaf Bakery's catering and special order business. (You may tell as many people as you'd like. The more the better!)
- If they have never placed a catering or special event order with The Meatloaf Bakery, provide us with that person's name, contact information and the date of your initial contact with them on the form below.
- You must give them our contact information so they can call or email us. (We will not call them until they have made the initial call to The Meatloaf Bakery).
- If your referral places an order for \$250 up to \$499 (food and beverage only; does not include tax, delivery or any other service charges) you will receive a \$25 gift certificate for The Meatloaf Bakery. Orders \$500 and over, we will reward you with a \$50.00 gift certificate.
- The first-time customer will also receive the same award for placing an order.
- Once your referral's order has been filled, we will notify you by e-mail that your gift certificate is available for pick-up.

#### Terms and Conditions:

- Not valid with any other offer.
- To qualify, referrals must result in a first-time catering order and completed sale of at least \$250 (food and beverage only).
- Referral form must be submitted before referral places an order.
- Only one gift certificate will be awarded per qualifying catering sale; if multiple referrers refer the same person, the gift certificate will go to the referrer with the earliest contact date.
- All terms on The Meatloaf Bakery gift certificates will apply.
- The Meatloaf Bakery reserves the right to change or discontinue the *Share the Loaf* program at any time.
- Referral program ends May 31, 2011.
